POSTAL IN TEXAS TO CONSOLIDATE

The Postal Telegraph-Cable company of Texas is to be consolidated with the Western Union Telegraph company, reports in Fort Worth papers say.

The Postal of Texas is different from the Mackay-Postal company, which has an office in El Paso, local manager C. D. Miller says. He says that the Postal Telegraph-Cable company was originally organized as a part of the Mackay Postal system, under a contract by which the Texas Potsal was to operate with the Mackay company as long as it which the Texas Potsal was to operate with the Mackay company as long as it remained independent.

Manager Miller declares his company has no connection with the Texas Postal, which is to be taken over by the Western Union, as the Mackay Postal company's Texas corporation is the Mackay Telegraph-Cable company.

Market Sags When Short Interest Has Been Reduced; Trading Is Dull;

Note - Quotations reflect closing sales Thursday, March IL

New York, March 12.—The short interest having been reduced on the midweek rise, the market today sugged. Shading of prices for steel products depressed sentiment and the list was sensitive to lieur selling. Bull were not aggressive in supporting their favorites.

Renewed foreign selling and further liquidation of low priced railroad shares operated against the market. Trading was dull throughout the morning, and only a few mocks were noticeably under pressure but the market showed no recuperative powers. At moon losses among the prominent shares ranged from small fraction to more than a point.

Honds were heavy.

Moderate amounts of Steel and Union Pacific were said by foreign representatives. Seiling of Pennsylvania helped the downward movements of the general list.

Hock Baland securities all dropped, the collateral bonds breaking through 40. Reductions in the American Express dividend was reflected in a drop of four points in the stock. United States Express also gave way the market closed steady. European sell-

The market clessed steady. European sell-ing of Canadian Pacific continued until long after the usual time for the suspension of business and the stock lot three points. Frac-tional recoveries were general in the final

Wheat Goes Higher on Account of Rumors of 30 Percent Crop Damage.

Chicago, III. March II.—Wheat prices ral-lied today in consequence of Kansas reports that in some places late sown fields were showing damage as great as 26 percent. The market opened the same as lat night to 'a hower, but then made an advance all around. The close was steady at 'a to 40% net decities. coline.

Confirmation of liberal sales to the east, and of a scarcity of rural offerings, helped of develop strength in corn. Opening prices hich were a shade to 14 6 4 lower, were allowed by a general rise to above last more level.

The close was weak, % @ % to % not lower.
Outs sugged, owing to absence of demand.
Higher prices for hogs stoudled provisions.
After opening unchanged to a hade off, the
market gradually hardened.
